

## Student Visa Application Instructions

To begin the process of obtaining a Student Visa for flight training at First Landings Aviation (Orlando Flight Academy), each student must submit the following required information. The process is simple and requires that you do the following:

- 1. Complete the Student Visa Application & Financial Affidavit Form** - Simply download the Student Visa Application, print and provide the required information. Scan the pages to a file.
- 2. Make a Digital Copy of your Passport** - Scan your passport so that the page containing your photograph and the passport expiration date are clearly visible. Scan the copy to a file.
- 3. Make a Digital Copy of your Bank Statement** - Scan your proof of financial responsibility. This is proof that you have the funds to pay the entire cost of your training and living expenses while in the United States. This can be a copy of your bank statement with your name and sufficient available funds (NOTE that funds requirements will vary depending upon the selected flight program). Also acceptable is a letter from your bank indicating funds available equal to or greater than that required amount.
- 4. Attach and Send** - Create an email and attach the above three items to: [info@FirstLandings.com](mailto:info@FirstLandings.com)
- 5. Flight Schedule Pro** – We will create a Flight Schedule Pro account in your name, and send you an invoice for the M-1 processing fee of US\$450.00. This will also allow you to upload all of your associated documents.
- 6. Pay the Non-Refundable Processing Fee on FSP by Credit Card**

Once we have received and reviewed all three items attached to your email, we can begin the process of helping you obtain your M-1 Visa. We will send you a digital copy of the signed M-1 visa, and courier you the original.
